NUMBER 27

Government Food Stamp Plan To Be Operating In Jones Co. About May 15

Much has been read and said about the government "Food Stamp Plan" but up to this time, in Jones Co., not many have really understood what it is all about. But recent developments in this line have brought the subject right down to our door in this county.

All plans are now set for the Food Stamp Plan to begin operating in this county about May 15, according to information gained from officials in Hamlin Wednesday.

THE FOOD STAMP PLAN

JUST ANOTHER RELIEF PLAN

People who are not concerned about getting help from the government will not need to know much about the Stamp Plan, unless it be retail food merchants who will exchange foods for stamps, or perhaps some far-seeing taxpayer who wonders who is paying the bill. You see somebody must pay for foods. Farmers raise foods of all kinds and do not give stuff away.

Heretofore we have been aware of "Commodity Surplus Foods" and that certain folks on WPA, etc., get this "hand-out" once per month or perhaps two times per month, in addition to what they are paid for any kind of "project work" they may be certified to do. The materials especially foods, have formerly been assembled in a co-operative method by city, county and federal government, and given out. The county or city bore part of the cost, especially the freight, which ran high from wholesale houses to Jones County.

THE STAMP PLAN DIFFERENT

The Stamp Plan is to permit only certified recipients to buy stamps with the money they may get from WPA work or otherwise, up to a certain amount, depending on number in family and amount they receive or are "entitled" to from the government, under the relief set-up.

There are two kinds of Stamps, ORANGE stamps, which must be bought, and BLUE Stamps, which the government "gives" equal to half the amount spent in buying

ORANGE Stamps.

SEE IF YOU UNDERSTAND?

Persons must be "Certified as Eligibles."

There may be SEVEN groups:

Group (A) OAA—Old Age Assistance.

Group (B) DR—General assistance cases, being maintained by any local welfare agency.

Group (C) WPA—People assigned to Projects for work.

Group (D) No. CO—Commodity only, those not certified under any relief category.

Group (E) FSA—Farm Security Grant Cases.

Group (G) OTHER Groups: As may later be declared "eligible."

Now you see (maybe) just who is going to get "Stamps". But it still remains how much, when and where.

HERE'S THE AUTHORIZED

SCALE OF PURCHASE AND GIFT

WPA Employed cases shall purchase Orange Stamps as follows:

1. One-person cases shall have a minimum and maximum rate of \$8.00 (eight dollars) per month. Single member cases can be certified for stamps only when actual food need exists, and the client is a householder.

2. Two-person cases shall have a minimum and maximum purchase rate of \$12 per month.

3. (a) Three-person cases, receiving more than \$50 per month shall have a minimum and maximum purchase rate of \$18 per month.

(b) Three-person cases, receiving between \$32 and \$50 per month shall have a minimum purchase rate of \$16 per month and a maximum of \$18 per month.

(c) Three-person cases receiving \$32 or less per month shall have a minimum purchase rate of \$14 per month and a maximum of \$18 per month.

4. (a) Four-person cases receiving more than \$50 per month shall have a minimum purchase rate of

CONTINUED ON LAST PAGE

Funeral For G. P. Odom Held Friday Afternoon

Last issue of the Herald carried the information last week that death had claimed G. P. Odom, pioneer railroad man of Hamlin, who passed away at the San Angelo Clinic, at 7:15 A. M., Thursday, April 24th.

Funeral services were conducted at the First Baptist Church in Hamlin Friday afternoon, at 3:30 o'clock.

G. P. Odom was born at Ranger, Texas, October 11, 1893, and was at the time of his death, 47 years, 6 months and 13 days of age.

At an early age he began his railroad work as an operator at the little town of Krum, Texas, and in 1918 he came to Hamlin and served the Orient as operator and continued in this work when the Santa Fe took over the road. Mr. Odom was a man who attended closely to his own affairs, and was efficient and painstaking in service to his employer. He knew every detail in every department of the office work in railroad transportation. He preferred the position of operator above all. He was station agent in Hamlin for more than a year and resigned to resume the position of operator.

Mr. Odom was a man of strong physique, never having lost any time from his work, till right up to the last. The day he left Hamlin to go to San Angelo for the usual health check-up, he was at his post but was not feeling well. The check-up showed some form of trouble in the liver and later it was determined that death was caused from cancer.

He is survived by a wife, the former Miss Grace Harbert, whom he married in September, 1935; by his mother, Mrs. Alice Odom; three sisters, Mrs. Ernest King and Mrs. E. M. Howard, all of Ranger; one sister, Mrs. Walter Kohanek of Big Spring and one brother, Russell Odom of Ranger, all of whom with their families were present for the funeral.

Other relatives from out-of-town for the funeral were Mr. and Mrs. J. B. Richards of Dayton, Texas; Otis Harbert and family of Stamford.

Funeral services were conducted by Rev. J. Henry Littleton of Abilene, former pastor in Hamlin, who baptised the deceased several years ago. Rev. Ernest Massey and wife of Fort Worth, close friends of the Odom family, were present and Rev. Massey spoke a brief tribute, and the present pastor, Rev. H. E. East, participated. These ministers voiced the sentiments of all who knew G. P. Odom, well, that he had lived as a good citizen and a conscientious

Hamlin Farmers Gin Co-operates in Big Feed At City Park

On Thursday afternoon of last week the best evidence of "Co-operative" harmony possible to see was down at Hamlin City Park.

FOUR HUNDRED invitations had been mailed out to members of the Co-operative Gin Society, and this invitation also called for the wife and the children.

The attraction was a big barbecue feed given by the Directors and the Manager, R. S. Johnson, to bring the "family" together for once in a get-together fashion.

From indications there was no need for urging attendance.

The barbecue was done up brown, and was placed on long tables with the fixin's of bread, pickles, and gravy, and promptly at 4:30 the "family" began to file by. Various guesses were made, but perhaps the nearest to the actual number at the affair was near 1100.

Yes sir, there was plenty and to spare. A big fat beef had been killed, and Johnnie Hines' herd got a good advertising. Fat and fit and well cooked beef makes a dandy attraction at any picnic party.

Besides the actual members of the Gin Association, a number of friends, cotton men, and some out-of-town folks were invited. The park was ideal for this kind of gathering. Many heard under-voice hints in the presence of the Directors, and Mr. Johnson, that they would like to see this feed event made an annual affair. Watch out for the spring of 1942!

Oh yes, the women folks had a good part to plan except just come eat. At the bottom of the invitation was an extra line—"Ladies please bring a pie"—Well sir, it took a whole truck bed, sides down, to hold those pies . . . all sizes and kinds. Is there any pie in the world better than a pie cooked by the women whose husbands haul cotton to the Hamlin Farmers Gin? You are telling me.

Christian gentleman.

Many railroad men from out-of-town as well as in Hamlin were present in a tribute to a fellow worker.

The active pallbearers were: C. C. Prater, Roy McCurdy, W. H. Dean, P. F. Fannin, Tom Brunson, and Weldon Johnson.

The following railroad men from a distance were present: Ed Oates, retired conductor; P. H. Winstead, Traveling Passenger Agent, B. P. Taylor, Claim Agent, of the Santa Fe from San Angelo, and Operator Pedigo, of Chillicothe, formerly of Hamlin.

The body was in charge of the Barrow Funeral Directors, and interment was in East Cemetery, Hamlin.

Lubbock---The Banner Clean Town of Nation

Some towns are noted for some things, other towns are noted for something else . . .

Lubbock, Texas, is NOTED NATIONALLY AS THE CLEANEST TOWN IN THE U. S..

Hamlin ought to be noted for SOMETHING. It does not take a BIG town to be "noted." And what better compliment can a community enjoy than to be called "The Cleanest Town in the United States?"

Hamlin has a teacher who lives in Lubbock. His name is J. M. Grigg, and J. M. Grigg goes up home every so often. This past week end he saw a write-up in the magazine section of a NEW YORK paper, revealing again for the "Umteenth time" that Lubbock retains the noted reputation of being the nation's cleanest town.

A clean town does not "Just happen so." It takes planning, and it takes lots of work. Where there is no plan there will likely be no work, and "dirt" will be the outstanding notability for that people.

LET US SEE HOW LUBBOCK

DOES IT

(From the New York Paper)

House-to-House Canvass

"All the public schools and churches worked in the drive; the twelve organizations of the Federated Women's Clubs took care of front-yard inspection in a house-to-house canvass totaling 7,153 calls; the Boy Scouts, white and colored, handled back-yard and alley inspections and collected 17,515 pounds of trash; members of the American Legion, Kiwanis and Rotary met at appointed places with rakes and shovels—and worked like dogs.

"An inspection blank gets into every Lubbock home, either by mail or through the newspapers or school children, and is followed shortly by a personal visit from a volunteer worker. If no action is visible, a follow-up notice is delivered by a telegraph messenger and a reinspection is made later. Through neighborly example, crowd psychology and personal pride, every household is stimulated to the desire to climb on the band wagon. And that desire is deftly fanned into flame by the insistent prodding of the children—who have to bring back to school reports of household clean-up activities—and by the awarding of numerous prizes in cash or merchandise donated by public-spirited merchants. For instance, Scout troops collect awards for the greatest amount of rubbish collected; younger boys gather up tin cans from vacant lots to win free movie tickets.

"If you wonder how a community that has earned the title of the

cleanest city in its state eleven times can have so much trash around, you simply forget what the cities that don't win look like. The fact that each year in Lubbock shows a bigger clean-up job than the year before is just an indication of what you and your neighbors could accomplish in your city if you really put your minds to it the way these Texans do."

The New York paper sent its crack reporter, Paul W. Kearney, all the way to Lubbock to see how they do it. He told "how."

Hamlin Clean-Up Will Continue to Next Week

It was announced last week that with repeating rains, the week for a general clean-up might have to be extended. Well, it is still wet and many have tried to handle hoes and mowers but wet, soggy ground does not permit a very good job.

Already extensive effort has been made. Wild rye has become rank and that makes the job all the harder. So far the Herald has heard of but one person taking exceptions to suggestions for this clean-up. Such persons should live in a town like Lubbock where it is expected of everyone to talk and act in harmony. It is a matter of getting a people enthusiastic about "something."

Hamlin is a friendly town, but it is lacking in enthusiasm. It is a compliment for one to be enthusiastic, especially when the subject is for the welfare of everyone. Let's talk. Read how others do things and take a few lessons.

Mr. and Mrs. R. M. Delk of Waxahachie came up on Friday of last week to visit their brother, J. C. Culbertson and wife. Mrs. Delk will spend a week or more with the Culbertsons.

"I Am An American" Day—1941

Sunday, May 18th

A Proclamation

By The President of The United States of America

WHEREAS Public Resolution No. 67, approved May 3rd, 1940 (54 Stat. 178), provides, in part:

That the third Sunday in May each year be, and hereby is, set aside as Citizenship Day and that the President of the United States is hereby authorized and requested to issue annually a proclamation setting aside that day as a public occasion for the recognizing of all who, by coming of age or naturalization, have attained the status of citizenship, and the day shall be designated as "I Am An American Day."

That the civil and educational authorities of States, counties, cities, and towns be, and they are hereby, urged to make plans for the proper observance of this day and for the full instruction of future citizens in their responsibilities and opportunities as citizens of the United States and of the States and localities in which they reside:

NOW, THEREFORE, I, FRANKLIN D. ROOSEVELT, President of the United States of America, do hereby designate Sunday, May 18, 1941, as "I Am An American" Day and urge that this day be observed as a public occasion in recognition of our citizens who have attained their majority or who have been naturalized within the past year. And I do call upon all Federal, State and local officials, and all patriotic, civil, and educational organizations to join in exercises calculated to impress upon all our citizens, both native-born and naturalized, the special significance of citizenship in this Nation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States of America to be affixed.

DONE at the City of Washington this 27th day of March, in the year of our Lord nineteen hundred and forty-one, and of the Independence of the United States of America the one hundred and sixty-fifth.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

O. K. MR. LINDBERGH

—Monday Charles Lindbergh sent in his resignation as a reserve officer in the U. S. Army Air Corps, and it is O. K. Now, Private Lindbergh, are you returning the Goering Decoration?

The only regrets the American people have about this is that the commission should have been taken long ago from him. He has not acted or spoken very loyal about the United States since his friend Hitler began his murder of innocent people all over Europe. As a matter of fact, Lindbergh has lost his place in this country as far as dependability is concerned. From here out, or from here "in" such "birds" should be watched.

Most people are glad Lindy did

not get away with a big plane and give it to Hitler. Lindbergh, you are "out." Shut up, or you'll be shut up in a concentration camp.

—T & T—

DOROTHY THOMPSON

—Now there is Dorothy Thompson, another American who has visited Germany and Hitler. She saw his hellish schemes and spoke out against Nazism, and has kept at it and as each month of German power rolls over helpless, unoffending peoples, she keeps on warning her beloved America to get in and help stop a machine of death and destruction NOW while we can. Who is loved most by loyal, far-seeing Americans, Lindbergh, or Dorothy Thompson? We say "which," who, and why? Ask for a copy of the Abilene Reporter-News of Monday evening, Dorothy tells how "It Can Happen Here."

—T & T—

NOW THE WEATHER

—Rains have delayed the usual spring clean-up. But in Hamlin this week it is clean-up, if weather permits, and if weather or anything prevents making your place look like somebody lives there, then take the first opportunity and do a good job.

—T & T—

WHY NOT BE "NOTED"

—It has become a fad or custom

for even small towns to have some enterprise or feature by which that place is generally known. Here in our county Stamford is known as the Cowboy Reunion Town, and Anson as the Christmas Cowboy Ball Town. Another place is known for its Turkey Trot, another for Tater Roast, or Peanut Patch, and another is the Watermelon festival, and there is one known for its Battle of Roses, etc.

—Just yesterday, Hamlin celebrated its "Fishermens Festival." That might make a good "badge" for Hamlin, yet, fishing in these parts is not for making a living, but a kind of sport for a few. So it would appear Hamlin must still look for some kind of enterprise by which it and none other in Texas can well boast. What shall it be, brother, what shall it be?

—T & T—

NOW ABOUT WAR

—This is an unpleasant subject, yet nearly everybody wants to hear somebody else talk about it. We all have our ideas and crave company by listening to what angle "you" have on it.

—War is the most useless thing the human race ever engaged in.

—War is dreaded by most men in every nation, yet it appears the only way controversies can be settled is by national fighting. Whether or not wars have ever settled anything is a question. Wars have been fought in the ages gone long ago and have been forgotten, even who were engaged, what the fight was about or who won. BUT TODAY there is a "different" kind of war in the world. Some will say "every war is different," and they are, still we do say that the one now spreading over the face of the earth is a "different" war. It is a world revolution, sought for nearly 30 years. It has been planned

just how to break down this United States. You see in a free-talking, free-going, free-owning nation like ours, noise is often interrupted as signs of trouble or weakness. And right now it would appear that there is no unity in America. But this country will lead the world back to safety and peace. You bet!

—T & T—

SUNDAY, MAY 18, IS

"I AM AN AMERICAN DAY"

—In this week's Herald you will see a proclamation by the President of the United States, as directed by Congress. It sets out May 18, the Third Sunday, as a day during which every community is to recognize the newly arrived citizens, either by age or naturalization. That is a good idea, and especially since in a Democracy good citizenship and loyal citizenship should be stressed and retaught from year to year.

—Read the Proclamation, get the idea and then co-operate in any concerted manner that your community may decide upon. It is a fine theme and should not be overlooked. The program that might be presented has wonderful opportunities. It can be simple, without cost or it can be made elaborate and at some cost.

—Doubtless in Hamlin, perhaps in Jones County, something will be done about it. If there is to be a program, every young man and young woman, of every color or race, should be known so that an invitation can be mailed to them to appear for the "exercise." Every one should receive such attractive inducements that they would not fail to attend the public program when they are to be recognized as having reached full citizenship. Let us hear more about this and quickly. Time is short.

Food Prices and Profits

A Statement of Safeway Policy

THE forces of market disturbance, fear, and speculation, are at work. Prices for some basic commodities have already gone up. Increases in Safeway's retail prices on these items reflect the rise in wholesale cost, over which Safeway has no control.

It is a fundamental Safeway policy to earn only a small profit on each sale. Safeway pledges that during the period of war emergency it will not change this policy; and that in the future, as heretofore, it will make every effort through improved methods to reduce distribution cost—the difference between what the farmer gets and the consumer pays. You will always be able to buy from Safeway at the lowest prices available anywhere.

Consumers may assist materially in preventing unwarranted price increases by continuing their purchases on a normal scale. There are adequate supplies of foodstuffs for every American. Hysterical buying which strips retail and wholesale stocks creates artificial scarcity, which pushes prices to abnormal levels.

Machinery exists within the government to control production, storage and release of commodities, imports, exports, quotas and prices—if it should become necessary to employ these methods to protect the economic welfare of the country.

Safeway further pledges complete cooperation with the governmental agencies and with farmer producers in all efforts to stabilize prices; discourage profiteering; and maintain orderly facilities for food distribution

Abilene Methodist

District Conference

The Abilene District Conference, composed of about 35 Methodist churches, was held in Merkel Methodist church on Tuesday and Wednesday of this week. Dr. C. A. Bickley, District Superintendent of the Abilene District, presided over the meeting. About 150 delegates were represented in the meeting. The pastor and the following delegates attended from Hamlin: H. A. Johnston, J. E. Moody, Ed Bailey, Mrs. M. T. Hudson, Joyce Hudson, Mrs. S. E. Brooks, Mrs. C. E. Ball, Mrs. D. O. Sauls, Herman McBride, and Mrs. Tom Teague.

Entertainment with homes and meals were furnished by the Merkel Methodist church to all who attended. The district conference is an annual meeting of outstanding importance to the Methodists of this District.

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI's principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodic distress. Women have used CARDUI for over 50 years.

Colored Man Helped

We wish to thank the people of Hamlin (white and colored) for everything they have done for us during the illness of Rev. Jones. Words cannot express our appreciation.

HELP MAKE HAMLIN

ATTRACTIVE

By Clara Spratlen

Civic attractiveness is an asset to any town or city; therefore the different clubs and organizations of our city are starting a clean-up campaign this week. Each citizen is urged to clean up around his own home. Then all vacant lots and alleys will be freed of their filth and waste. A few vacant lots will be turned into recreational playgrounds. Each citizen will be encouraged to help rid our town of those pesky little insects—mosquitoes. All organizations will do all they can in order to make our home town a better place to live.

To do this a great deal of help and backing will be necessary. Naturally, the citizens will be willing to help, but the Hamlin High school students should be willing to do their part, too. There are several little things which we can do to help. For instance, when we buy a bar of candy, we usually tear off the wrapper and let it go carelessly floating to the breezes and it usually lands near the school grounds. So it goes with anything else. Waste paper can be a nuisance to the beauty of our school. Let us remember, "Keep off the Grass!" With just a little thinking and more effort, we can keep our school grounds attractive. This move is almost vital, for isn't good old Hamlin High school the place where the good citizens of tomorrow are being cultivated? Show your spirit, true Pipers, and do your part in this Clean-Up Campaign."

HAMLIN HIGH WINS STATE CONTEST HONORS

The Hamlin High Band left for the State Contest in Abilene last Friday morning. Every member was

eager to do his part in helping the band bring back a first division in every section of the contest.

Upon reaching Abilene and the Fair Park Auditorium, the band was assembled in a warm-up room, where each horn was tuned and made ready for the contest. Upon leaving the warm-up room the band marched single file to the large auditorium where the stage was set and ready for the band. The first number, "Queen City," a march, was well played and the other two numbers "Onward Ye People" and "The Crusaders," showed that every member of the band played his part and played it well. The result of these efforts was a first division rating in concert.

After leaving the auditorium, the band went directly to the sight-reading room. The director, Mr. Clyde Smith, looked over his music for 3 minutes and then he reviewed the numbers with the band for two minutes before playing. The numbers were "The Vulcan" by Farrell and "Aurora" by Yoder. Hamlin's band was in Class B2 and the sight-reading numbers were Class B music. The result of this part of the contest was a third division rating.

After this part of the contest, the band was dismissed and was privileged to hear many fine bands. Outstanding in this group of bands was the Cisco Lobe Band. This band won first division honors in every part of the contest.

As the last part of the contest which was the marching events was about to take place, all bands were massed together, and directed by Col. Irions as they played "The Dogwood Trail," "The Stars and Stripes Forever," and "The Star Spangled Banner." With drum majors and majorettes from each band massed together for an exhibition of twirling, the many colors of uniforms made an unforgettable picture.

ture.

The Hamlin High School Band received a great deal of applause on its formation. Especial credit went to the waltz step. The band was judged by 8 judges. Four judges gave the band first division, three judges ranked the band in second division. The result of the decisions was a second division rating in marching.

The Band is very proud of its improvements and especially proud of its director, Mr. Clyde Smith. Through his excellent leadership, the band was privileged to make this fine showing. To the Hamlin Band, Hamlin High pays tribute.

CONGRATULATIONS!

The Hamlin Band wishes to express the deepest gratitude to Vera Pearl Fielder and John Henry Vaughan for their fine work in bringing home first division in solo work. Our moral support will be with you when you play in the National Contest in Waco. Keep up the good work.

FOUR GIRLS WIN TRIPS

TO SAN ANTONIO

Four girls have been chosen to represent the Hamlin Homemaking Clubs at the annual Homemaking Rally which will be held in San Antonio, April 30th to May 3rd.

The girls are as follows: Dorothy Wilemon of the Homemaking 1 Club; Joyce Hudson of the Homemaking 11 Club; Julia Pitcock of the Homemaking 111 Club, and Marguerite Nobles, the representative of all the clubs.

The contest in which Dorothy Wilemon placed first was a dress contest. Her dress is made of striped chambray. Julia Pitcock will wear a navy blue afternoon dress of Romaine crepe. Joyce Hudson and Marguerite Nobles tied on a test over the work of the entire year.

Sovereign Car Service Advises To "Prepare"

Car Owners Are Warned of Dangers In Neglecting Spring Check-Up

Safety on the highway demands preparedness, and Sovereign Service is now enlisting car owners to meet the attacks of the hot weather blitzkrieg.

"Many car owners do not stop to think how much punishment the old bus took last winter," Butler Bros., (Panhandle Station) local Sovereign man said today. "But a thorough check-up now will find the weak spots, if there are any, and let you fix 'em before they spell big costs and maybe crack-ups."

Mr. Butler went on to explain that winter oils and greases do not have the necessary body to give motors and gears proper protection in hot weather. Also, he pointed out, oil is often diluted by the frequent use of the choke, and by greater water condensation in winter driving.

"Everything about a car worked hard in cold weather," he said. "The battery carried a heavy load, the radiator was filled with anti-freeze, the motor went from cold to hot and back to very cold many times. The spark plugs worked over-time—and got dirtied up in doing it. Tires took a beating, with chains or on rough, icy-rutted streets."

"Now it's Spring. Warm weather is coming. We'll all drive more—and expect our car to purr along smoothly and have that extra zip ready for emergencies. And the car will do its part if it has a chance. But it sure needs to get rid of that winter hangover."

"And that's where Sovereign service comes in. We've got what it takes and know how to use it—and because we know proper expert Spring conditioning will save dollars and perhaps lives, we wish we could draft all car owners into the 'Be Prepared' legion right away."

The new Sovereign Service adds feature clever cartoons of absurd military situations. The Panhandle Station is starting the campaign in The Herald and promises a laugh a week along with suggestions of real importance to car owners.

Joyce will go as representative of the Homemaking 11 Club, and Marguerite will represent all of the Clubs of the High school.

Other students who placed in the dress contests are: Maudell Farrow and Annie Ruth Hodnett, 2nd and 3rd places respectively of the Homemaking 111 Club and Margaret Sellers and Thelma Pitcock 2nd and 3rd place respectively of the Homemaking 1 Club.

This trip is considered an honor, and San Antonio is a lovely place, so the girls are looking forward to the trip.

Miss Camille Smyers judged the dresses last week in Anson, Tuesday and in Sweetwater, Thursday to help these schools make their final decisions as to rally entrants.

INK WE SPLATTER

If you want to know how to make Mary Nell B. blush, just ask Mr. Campbell.

We've always heard that Chinese have a certain way of fascinating you and it must be true by the way Mack S. is fascinated by the Chinese girl in Stamford.

Many of our Pipers, both boys and girls, made regular trips to the District League Meet at the Methodist church on the 18th and 19th of April. It could have been that there were quite a few good-looking boys and girls there, or it might have been the food. Anyway, your reporters enjoyed it, too.

Delbert K. thinks that Koleta likes big boxes of chocolate candy. Many a girl would like to have had that box of candy, but it looks like Koleta was the "lucky" girl.

If you'd notice, you could see many junior girls wearing senior rings. Oh, well, it's spring.

Ask Joe Don D. who is the dream girl that he met who sang like Jeanette McDonald and looked like Hedy Lamarr. Don't tell me the love bug "bitcha," Joe Don.

This news is news! The future football hero of Hamlin High—we say future, mind you—has turned into another Fred Astaire. If you will drop into Burton's on week day afternoons or nights, you will probably find G. W. dipping and gliding with such grace as you've never seen before. Not so with Loftin; he says "Jitter-bugging is his meat."

We wonder why all the fuss over Hamlin's newest student? Is it his looks or that shiny, new automobile he's always driving?

Say, Virginia H., you never told us before that you liked Abilene so much. Why the sudden change? Could it be a uniform?

Ask Marguerite N. why she likes the song, "Whatcha Know, Joe," so well.

THREE STUDENTS ENTER

FIRE PREVENTION POSTERS

A pleasant surprise came to many High school students who saw the colorful and artistic fire prevention posters on display in the window of the Cactus Beauty Shop this week.

Three High school students are representing Hamlin High in the State Fire Prevention Poster Contest at Austin May 1st.

Aaron Mallonee, will enter the senior division. His poster represents Uncle Sam ready to fight Fire Waste, represented by a huge dragon. The slogan used is "Will It Be Servant or Master?"

Hope Cade will enter the junior division. Her poster reveals the tremendous loss of lives caused by fire, represented by a stampede of horses crushing thousands of people. Her slogan is an appeal to "Lasso the Horses and Prevent Loss of Lives." "Pick-up," "Clean-up," and "Check-up" are shown with their lariats trying to lasso the horses representing fire.

Winnie Faye Hassen will enter the sophomore division. Her poster bears the slogan "Defend Our Nation from Carelessness and Ignorance." Appropriate illustrations remind the observer to be careful with matches, fires, oily rags and trash.

These posters are competing for some of the substantial prizes offered by the Texas Fire Insurance Division and may become a part of the exhibit at schools, fairs, etc.

Hamlin High appreciates these entries and expects their work to bear fruit.

These students have worked under the supervision of Mrs. Sam Cade and Miss Bernice R. Whiteley.

SENIORS VISIT SIMMONS

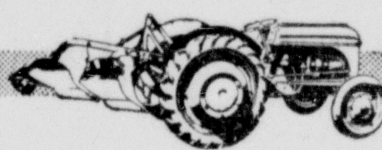

A bus load of seniors jumped into one of the school's jalopies last Saturday and visited the Hardin-Simmons senior day. Thirty-two schools were represented, and the vast crowd jammed the Simmons auditorium to its fullest dimensions. The Simmons famed Cowboy Band sent the crowd to their feet with different changes of tempo in their musical selections. After the assembly program, a delicious meal was served in the cafeteria. Then an intra-

To Prove
THE FORD TRACTOR
with **FERGUSON SYSTEM**
on Your Farm

See the entirely different system of implement linkage and hydraulic control built into this lightweight tractor.

Prove through trial on your own farm, that this new idea has made tractor use easier and cheaper than you ever thought possible.

See the many extras that are included as standard equipment—AT NO EXTRA COST.

Prove by actual use, that the FINGER-TIP hydraulic control saves your time and energy—that the tractor increases or decreases traction as needed—automatically!

See the almost unbelievable letters and comments from users in this area (and all over the country) praising the work this tractor will do—and the low cost of doing it!

Try this Tractor on your own farm! We will send one out whenever you say—no obligation, of course.

Hamlin Motor Co.
Hamlin, Texas

All Right! Move Out in the Yard!

BOB (roaring): "Who snatched the bulb from my lamp? I might as well move out in the yard!"

JANE (fearfully): "Go ahead! The yard light is better than the tiny bulbs you get. . . I had to have some light in the kitchen, didn't I? YOU took the kitchen bulb for the garage. . ."

WHY Quarrel Over Light?

MOST everyone does it at some time or other—and unnecessarily, because light is CHEAP in West Texas. A 100-watt Mazda bulb costs only 15c; a 150-watt bulb, 20c; and a 3-way 100-200-300-watt bulb, 60c. Avoid bulb-snatching quarrels and arguments about who's going to use the light by keeping an extra supply on hand.

And about the yard—make night-time your play-time with a new flood light that also protects the home. Ask for demonstration.

YARD FLOOD LIGHTS \$3.95

JOHN HENRY VAUGHAN AND VERA PEARL FIELDER WIN STATE CONTEST

John Henry Vaughan and Vera Pearl Fielder, participating in the State Solo contest which was held at Abilene April 24, came home with a first division rating.

In the solo contest all compete in the same class which means that the large schools have the advantage over the small ones.

John Henry has been playing the trombone three years and Vera Pearl has been playing the Alto clarinet only a year. Their accompanists were LaNelle Carlton and Harold Fletcher.

These students will participate in the National Solo Contest which is to be held in Waco, May 8, 9, and 10. There will be approximately 3 thousand bandmen to participate in the band contest, solos, and ensembles.

There are other soloists in our band who are due some recognition also. Milton Fletcher, baritone; Joe Ball tenor saxophone; and Ellis Benham, clarinet, were given second division ratings; and Virginia Brown was given a third division rating.

Mrs. Ted Bledsoe, Mrs. C. F. Butcher, Mrs. Gordon Bennett and little daughter, Patricia Lee, attended the District P.-T. A. convention, which was held in Brownfield, Friday and Saturday of last week. While away Mrs. Bennett and Patricia Lee also visited in the home of Mr. and Mrs. Coy Fielder and Phyllis Ann, in Tahoka.

WON'T YOU Help Make Hamlin Cleaner??

—This year the Garden Club is sponsoring the Annual Clean-Up in Hamlin.

—Every home in Hamlin is receiving this "invitation" to join in this needed Clean-Up Campaign.

A General Clean Up Is Now On . . .

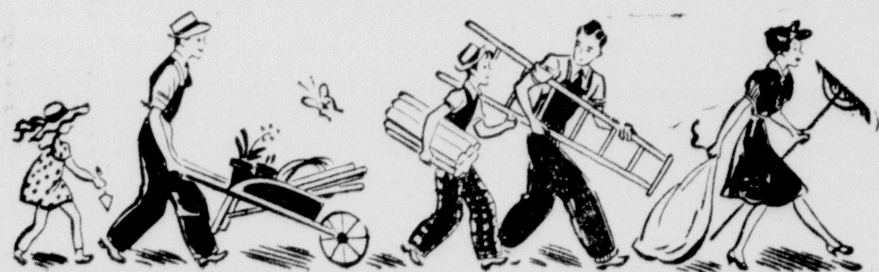

—The extensive and intensive week of Clean-Up work starts Monday. It should be finished by Saturday or before.

—Anything that will make our homes, lots and streets look better, should be done at once.

—The City will haul off your grass, trash and rubbish, if it is placed in the back alley.

—Look at your premises and see what you can do to make your place look the **Best**.

—Your "ZONE" appearance will depend upon the interest and effort in this . . . Annual Clean-Up. WE ASK YOUR CO-OPERATION.

Patricia Lee Bennett Celebrates Third Birthday

Patricia Lee Bennett was hostess for her first party, Tuesday afternoon, when she entertained a number of her little friends at her home on Hope Avenue, in celebration of her third birthday.

For the occasion, the home was decorated with pink and white roses and snapdragons, gifts from Mr. and Mrs. John Green and Mr. W. N. Temple.

The dining table was laid with a handmade lace cloth in Queen Anne design and centered with the lovely white birthday cake, decorated in pink and green, and topped with three tiny pink candles in rosebud holders. Multi-colored balloons suspended from the chandelier above the table completed the decorations. The cake with Dixie cups was served as refreshments.

Much excitement and pleasure were expressed as the little honoree opened and displayed the many lovely birthday gifts.

Guests enjoyed a delightful play hour on the back lawn where there were swings, a sand-box, a see-saw, a tricycle, balls, and "Kitty Bennett" which was very much a part of the party.

Guests enjoying this happy occasion with Patricia Lee were Carol Ann Smith, Larry Garrett, Barbara Ann Tipton, Glenda Beth Gilbreath, Angela Malouf, Joe Moser, Barbara and Roylyn Flowers, Patricia Rector, James Eddie Jay, Cecilia Albritton, Don Thurman, Billy Marcum, Virginia Fay Barnes, Faith Simpson, Peggy Armstrong, Elizabeth Ann East, Don G. Marlow, Justin David Rowland, Holly Pardue Toler, Sarah Jo Heard, Barbara Ann and Janet Durham, Suzanne Hudson, and Jeanne Johnston.

Methodist Women Meet For Program-Social

"Investing Our Heritage For Christian Education" was the theme of the program of a meeting of the Woman's Society of Christian Service Monday afternoon in the home of Mrs. Fed Britton. Assisting Mrs. Britton in entertaining were Mrs. Wiar, Mrs. Anderson and Miss Temple.

Cut flowers were used to decorate the rooms where 25 women assembled to hear the program directed by Mrs. Fred Carpenter. Others taking part on the program were Mrs. McBride and Mrs. Sauls. Mrs. Brooks gave a report of the conference meeting held in Abilene last week. At the conclusion of the business session, a pleasant social hour was enjoyed, during which delicious refreshments were served.

—REPORTER.

Schubert Club to Observe National Music Week

The Schubert Club will observe National Music Week, May 4-10, with three programs to which the public is cordially invited.

On Monday night at 8:00 o'clock a concert will be held in the high school auditorium, featuring Miss Dorothy Mac Aman, violinist of Hardin-Simmons University, assisted by the chorus of the Schubert Club.

The second program will be held at the First Baptist Church on Tuesday night at 8:00 o'clock. This will be a program of opera extracts, assisted by the Schubert chorus. The program is as follows:

Chorus: Serenade (Schubert) ...
.....Schubert Chorus
Solo: "The Moon Song", From The Mikado (Sullivan)

.....Mrs. Glenn Caffey
Duet: "My Heart at Thy Sweet Voice" (Saint-Saens)

.....Mr. and Mrs. Glenn Caffey
Trio: "Song of India", From Sadko (Rimsky Korsakoo)

Mmes. Willard Maberry, Glenn Caffey, Henry Albritton
Violin Solo: Evening Star (Wagner)

.....Mrs. Gerald Morgan
Solo: "Then You'll Remember Me", From The Bohemian Girl (M. F. Balfe)

.....Mr. Glenn Caffey
Solo: "Ah, So Pure", From Martha (Von Flote)

.....Mr. C. F. Smith
Duet and Chorus: "May Time" (Romberg)

be held. This will be a Sacred Concert, by the Schubert Club, to be held at the First Baptist Church at 8:00 o'clock.

Miss Ima Lee Raley Married to Mr. W. R. Smith

Friday evening, April 25, at 6:30 in Fort Worth, Mr. W. R. (Bill) Smith and Miss Irma Lee Raley were united in marriage.

Rev. Raley, a brother of the bride, pastor of a church in Ft. Worth, officiated in the ceremony.

Mrs. Smith is a daughter of Mr. and Mrs. Raley of the Tuxedo community, a graduate of the Hamlin High School, class of 1934.

Mr. Smith is a son of Mr. and Mrs. P. E. Smith of South Hamlin, a pioneer family of Western Fisher County.

This young couple will make their home in Hamlin for the present.

Mrs. Willard Maberry Hostess to Club

Mrs. Willard Maberry was hostess to the Trece Senoras Club, Tuesday afternoon, entertaining in the home of Mrs. L. H. McBride on Farwell Avenue.

In games of bridge, Mrs. Roy Gilbreath and Mrs. Q. Martin held high score. A salad plate with strawberry short cake and iced tea was served at the refreshment hour.

Those present were Mmes. Fred Carpenter, Landon Davis, Raymond Jones, Roy Gilbreath, M. T. Hudson, Bill Rountree, Clinton Barrow, L. H. McBride, Otis Hopper, Vera Nobles, Q. Martin, and W. F. Butcher.

Shower Honors Mrs. W. R. Smith

Mrs. Elma White, assisted by her mother, Mrs. J. B. Bowman, gave a miscellaneous shower Wednesday afternoon, at the home of Mrs. J. B. Bowman in South Hamlin, complimenting Mr. and Mrs. W. R. (Bill) Smith, newlyweds. The bride is the former Miss Irma Lee Raley, daughter of Mr. and Mrs. A. A. Raley of Hamlin, Route 1.

A basket of gifts was presented to the bride. Spring flowers decorated the home. Refreshments were served to:

Mmes. E. G. Smith, A. A. Raley, O. B. Proctor, D. M. Harris, D. C. Rogers, Joe Pitcock, J. L. Altum, Gilbert Bowman, Henry Butler, C. E. Smith, A. G. Smith, Leo Ryan, Raleigh Reynolds, P. E. Smith, M. S. Johnson, Robert Nelson, L. H. Smith, W. R. Wilkerson, J. B. Bowman and Elma White. And Misses Florene Smith, Pearl Morris, Chesie Westbrook, Erma Westbrook, and Evelyn Bowman.

Quilting Club Meets With Mrs. Goodgame

The Friendly Neighbors Quilting Club met Wednesday, April 23, with Mrs. V. R. Goodgame as hostess, with twelve members present. Two quilts were completed and a third one begun. On April 30, the Club met again in the Goodgame home, with Mrs. Hubert Beauchamp as hostess and twelve members were present for a covered dish luncheon, including a guest, Mrs. Clint Payne. Again two quilts were finished and the third half completed.

The next meeting will be held on Wednesday, May 7th, with Mrs. R. L. Goodgame.

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Sunday School, 9:45 A. M.
Morning Worship, 10:50.
Intermediates, 7:15 P. M.
Senior Young People, 7:15 P. M.
Evening service, 8 o'clock.
Woman's Society of Christian Service, Monday afternoon at 3:00
Wesley Service Guild Monday night at 8 o'clock.

Mid-week Service, Wednesday night at 7:45.
Choir Practice, Wednesday night at 8:15.

The pastor will bring a Communion message Sunday morning and administer the Communion service. Dr. C. A. Bickley, District Superintendent, will preach Sunday evening. At the close of the evening service, Bro. Bickley will conduct the second quarterly conference.

When you miss church, the church misses you and your spiritual tank runs low. Can you afford to stay away from church, or only attend when it is convenient? Why not be a "heart enlisted" church member? Try it and see the difference it makes. Attend church next Sunday! Visitors will find a real welcome at our services. Come and see.

Miss Emily Eakin has entered Draughon's Business College, Abilene, Texas, for a course in Secretarial Training.

BAPTIST CHURCH

We are proud of our Sunday School average for the month of April. We averaged 313, and would have gone far beyond this had we not had one rainy Sunday. This coming Sunday we are working for 350; then, on Mother's Day, we want 400. We are asking every member of our Church and Sunday School to help us reach these goals.

Our revival was a great blessing to all who attended. We are grateful for the visible results—over forty additions to our church. Twenty-one were baptized last Sunday night in spite of the rain. Several others are to be baptized. But we are not only grateful for the visible results. We are grateful for the invisible results. We feel that Rev. McGahey did a work that will bless our church in the years to come.

We urge you to attend our Training Union. It begins at 7:00 P. M. Attendance has been increasing, and we hope it shall continue to increase.

—H. E. EAST, Pastor.

Dr. and Mrs. Carl C. Rister of the State University of Oklahoma, came down Saturday to attend the inauguration of Dr. White as president of Hardin-Simmons University. Dr. Rister was the official representative of his university, one of the great number of universities and schools in the inauguration march. Mr. and Mrs. Rister spent Sunday in the home of their parents, Mr. and Mrs. M. P. May.

Information is that Dr. Joe W. McCrary, dentist, will be back in his office next week, following a rest vacation in California. His office card is again appearing in the Herald.

High School P. T. A.

The High School P. T. A. meeting for Thursday, May 8, has been postponed indefinitely.

POT SHOTS FROM M'CAULLEY

—BY GEO. DARDEN—

J. P. Everheart, County Commissioner, died Saturday night in a Veterans hospital in Amarillo. At this writing, we have been unable to learn of the funeral arrangements. Mr. Everheart was serving his third term as County Commissioner. His home was near Sylvester. Fisher County will miss him as a fine gentleman and a good commissioner. He is survived by his wife, a thirteen year old daughter, and a son who is employed in the Roby State Bank.

Mrs. W. M. Keller, mother of Mrs. L. E. Rector, has been ill for some time and it has been reported that she is not improving. We hope for her a speedy recovery.

The McCaulley seniors and juniors along with two trustees, J. I. Parker and W. F. Davidson and teachers, Miss Matthews, Miss Durham, Supt. Powers, Mr. Hill, Mr. Koeing, have returned from San Antonio, Austin and other points of interest. All reported a grand time.

Mrs. H. P. Powers and young daughter spent the week end in Colorado City, visiting Mrs. Glover, mother of Mrs. Powers.

Miss Annie Galloway is in a Rotan hospital with pneumonia.

Mrs. Laura Woods and son Cecil have been on the sick list for a week.

The well on Dick Maberry's farm is reported to be more than one thousand feet and indications are that McCaulley will have another oil well shortly.

The farmers around McCaulley are anxious to get started to planting, but it looks as if it is going to continue to rain. Old timers say that this is the wettest spring that we have seen in many years.

Cattle buyers tell us that it is getting to be nearly impossible to buy cattle, and prices on cattle and hogs are higher than in years. The boom is on, folks.

Mrs. Jim Jackson and Mrs. C. P. Yates spent last week in Abilene, attending a Methodist ladies' meeting.

Ben and Dave Maberry were in Abilene on business last Friday.

Johnnie James and Francis Maberry spent the week end in Denton. Johnnie James is sporting a new Buick convertible coupe.

All C. Q. M. employees at Camp Barkeley will be discharged between now and the 6th of May. Our work at the camp ended at noon last Saturday, and we expect to go to work on the bomber plant at Fort Worth beginning on or about the first of the month. We understand that a new contract will be let for Camp Barkeley in the near future.

0-0-0-0

Sunday afternoon, like millions of Americans throughout the United States, we listened to Winston Churchill as he spoke to the world via radio. We were deeply moved by the bravery of this great leader who has the responsibility of leading the British Empire through countless heartaches, misery and perhaps many more disappointments and military defeats; unlike many leaders who have bowed to the will of Hitler. Mr. Churchill will not quit, and that's the kind of men who in the end will win a great victory and the respect of the entire world. When America wakes up to the fact that our future depends on a victory over the dictators, then will strikes and un-American activities be banned by this government. If there is any such thing as a concentration camp within our borders, we think it's time to lead Mr. Lindbergh through the gates. Perhaps Dorothy Thompson knows more about Nazi activities within the United States than most people might dream of, and it's plain to see that she, like a lot of other people, believes that Lindbergh is the No. 1 Nazi who is loose, and doing his dam--ist to lead the people into believing that we are in no danger, even though Britain loses the war. Well, folks, we may be a little green and not half smart, but we are not too dumb to see through what Lindbergh's trying to cram down the throats of the American people. If we go to war, and it's a safe bet that we will, that is if we don't pussy-foot around too long and let the C. I. O., Wheeler, Lindbergh and Hitler & Co. take over from within. Surely the principles that were fought for by our forefathers are still worth all the aid that we can give to Britain and other nations who fight for their freedom.

A DARDEN-O-GRAM

Stamp Plan

(CONTINUED FROM PAGE 1)

\$18 per month and a maximum rate of \$24 per month.

(b) Four-person cases receiving between \$32 and \$50 per month shall have a minimum purchase rate of \$16 per month and a maximum of \$23 per month.

(c) Four-person cases receiving \$32 or less per month shall have a minimum purchase rate of \$14 per month and a maximum of \$24 per month.

5. Cases of five or more shall purchase at the minimum rate of \$4 per month for each member of the family, not to exceed 50 per cent of the cash security wage ordinarily received. When the minimum purchase rate for such cases of five or more exceeds 50 per cent of the cash security received, the minimum purchase requirements shall be determined at the nearest multiple of \$2 below 50 per cent of the cash security wage. Such cases shall have a maximum allowable rate of \$6 per month per member of the family for Orange stamps if they desire to purchase that amount.

All WPA Employed cases will receive free Blue Surplus food order stamps in a ratio of 50 per cent of the value of the Orange stamps purchased. WPA clients may purchase stamps twice a month in regular instalments if they so desire. W P A Clients receiving short or no pay checks may participate in the Food Stamp Plan in accordance with Surplus Marketing Administration . . . "Regular Instructions No. 8, January 2, 1941."

WHO FURNISHES MONEY?

To get this STAMP PLAN started in Jones County, \$7,000 had to be put up. This is regarded as a Revolving fund. The County put up \$4,000, Stamford \$1,000, Anson \$1,000 and Hamlin \$1,000.

Now when the merchants who are authorized to exchange actual foods for Stamps, want to transfer the stamps into cash, he sends them to Dallas or the local bank which sends them in and gets the cash for them.

Now here is something that sounds "cockeye" but unless the Herald misunderstands, the \$7,000 keeps on buying stamps, over and over. But it certainly must mean that it ends up in a continuous "gift", and finally the county and towns get their \$7,000 back. Don't it sound "cockeye"?

But each time the \$7,000 worth of stamps are bought, it really means to the "eligibles" \$7,000 plus 50 per cent more or \$3,500 making a total of \$10,500 worth of groceries each time \$7,000 worth of ORANGE stamps are sold.

STAMPS CAN BE BOUGHT

Stamps can be bought in Anson on any week day.

In Stamford or Hamlin, stamps can be bought only on certain days of the week, maybe three or four days in each town, such days to be announced later. But as we have said above, only about two bunches of people will actually be concerned—those who get stamps and those who sell foods.

friendliness and every relationship in Hamlin has been pleasing to us, and we regret to leave this community."

500 Enjoyed Fish Festival Breakfast At Moore Lake Thursday, May 1st

When the Hamlin Herald and then 1000 two-color decorated circulars go out telling the folks that something good to eat is to be on a certain so and so day, there may well be counted a big response.

So there was. We told you last week about Hamlin's "Fishermen's Jubilee" and breakfast. May FIRST came and what a crowd, and what a fish breakfast! Strong coffee, bread and fish, by the dish full. Folks had been on the banks of the lakes from before the legal hour for fishing, and were good and hungry

by 7:00 A. M. Some preferred broiled bacon.

It is estimated that there were at least 500 who came out for breakfast. Folks were there from several neighboring towns, and many stayed through the entire day, angling and angling. Yes, fish are plentiful and appear to be biting fine.

This is enough for this early write up. Maybe this event will be made an annual affair, and if it is, the scope and excitement will likely increase.

BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

Quite a few persons from our community attended the quarterly conference at Neinda Sunday.

We are happy to report that Mrs. Wortham Crow and daughter Brentz Ann have returned home from the Memorial Hospital at Abilene.

Mrs. V. R. Kelley spent Friday of last week with her brother Ansil Jackson of Lubbock.

Mr. and Mrs. J. A. Holden and Mrs. Ferguson attended the District Conference at Merkel Tuesday.

Mrs. Albert Haught spent last week with her sister, Mrs. Edd Killen who was ill.

Mr. and Mrs. Smith and children and Jayton spent Sunday in the home of Mr. and Mrs. O. C. Estes.

Mrs. J. P. Bingham entertained the Willing Workers Club Tuesday. Everyone reports a very nice time.

We are very sorry to lose Miss Viola Chism from our community. She has gone to Oklahoma to care for her relatives.

Mr. and Mrs. Harry Burkett and sons visited Mr. and Mrs. O. C. Estes last week end.

Mr. and Mrs. Faye Rogers and Mr. and Mrs. H. C. Hodges spent Sunday with Mr. and Mrs. Hodges at Merkel.

It is your loss if you do not take the HERALD.

CHURCH OF CHRIST

When trouble hovers near you, Do you murmur and complain? If you had not seen sunshine, You would never mind the rain.

So if the shadows flicker On your desk, and bed and floor, It's just because God's sunshine's Coming in your open door.

—By Oler

Why should we be always murmuring and complaining about things? Should we not rather be thankful for the many blessings that God has given to us? The Bible teaches us that we should be "Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ" Eph. 5:20. Now if we are to be giving thanks always, is there any time for us to murmur? Let us be thankful for the blessings that God has given us.

Minister, Luther G. Savage

Mr. and Mrs. Tom Holland, who have lived in Hamlin since the first of last September are moving in a few days to Rochester where Mr. Holland is to become manager of a farmers Co-operative gin. Mr. Holland was manager of the Planters Gin in Hamlin the past season and has had years of ginning experience in Jones County. Mr. and Mrs. Holland have learned to love Hamlin people and before leaving Mr. Holland wanted this to be said to their Hamlin friends:

"We have enjoyed Hamlin's

Clean-Up CAMPAIGN

Let's Clean Up This Place In Which We Live

This is your job as well as your neighbors. Every man, woman, boy and girl who lives in Hamlin is responsible for a part of this job, and when we get our town clean, we are going to keep it that way. The City will dispose of all trash, etc., placed in alleys. Co-operate with those in charge of your block.

—Observe The Following City Ordinances—

Trash

SECTION 2. All persons, firms or corporations now having wooden containers, boxes, barrels, made of combustible materials, or any containers other than those made of non-combustible materials, in the alleys within the fire limits of the City of Hamlin shall remove same immediately and replace them with metal containers.

Hogs

SECTION 1. An Ordinance to prohibit the keeping of more than four pigs by any one person or corporation within the City of Hamlin, and requiring a pen of at least 20 feet square for each hog kept.

Chickens

SECTION 1. That hereafter it shall be unlawful for chickens, geese, turkeys, guineas, ducks, or other fowls to run at large within the City limits of the City of Hamlin, Texas.
